## Simplified Issue/Guaranteed Issue No Longer Approved in CA

**Effective immediately, the Simplified Issue/Guaranteed Issue (SI/GI) Life Application is no longer approved in California.** Until new approval is received, sales of SI/GI products in California are suspended. At this time, we have no indication as to when new approval will be received.

If you have any questions, please contact Advanced Markets at 800-525-7133, Option #5.
