

NEW Daily Issue for IUL Products – COMING SOON!

Effective April 16, 2018, **QoL Max Accumulator+** and **QoL Value+ Protector** policies will be **issued every day** from the 1st – 28th of the month.*

More details...

- Policies get issued more often, with fewer delays; which can be beneficial to you and your client.
- Potential for earning money sooner; no days missed earning interest from the time between a policy's approval for issue and the index strategy inception (start) date. Policies earn index interest on the issue date; which can now happen even faster.
- New process for when the issue date falls on a weekend or holiday. The index strategy will now use the ending index value of the next business day as the starting value for that index segment.

Our new IUL issuing process is as good, or better, than most carriers in the market, so satisfy your need for speed with an American General Life Insurance (AGL) Index Universal Life Insurance policy today!

* Currently policies are only issued 4 days per month (5th, 12th, 20th and 28th).
