

DocFast® eDelivery available for IUL, GUL

As we continue efforts to improve the case delivery experience, our DocFast® eDelivery program is expanded to include IUL and GUL policies. DocFast eDelivery was previously only available for Term policies.

Is the DocFast process different for IUL or GUL?

The DocFast eDelivery process largely remains the same between Term and IUL/GUL with one key difference in the approval flow:

- **IUL/GUL:** E-signature sent to agent for approval prior to client step

Also, initial and ongoing payment options will vary depending on the policy type, and there may be additional documents to sign for IUL and GUL policies during the signing step, depending on the client's policy selections. For details, see the resources at right.

About DocFast eDelivery

DocFast eDelivery from iPipeline is a widely used platform designed for the life insurance industry, with steps and features customized for Corebridge Financial.

Financial professionals and case managers have seamless access to DocFast via Connex, using their existing Connex user profile and sign-in.

Questions? We're here to help

If you're new to DocFast eDelivery, see the resources listed at right. You may also contact your Case Relationship Manager with questions or if you need to help setting up DocFast for your agency's needs.
